

810-5-1-.460 Situations Where Registrants are to Return Apportioned Registration License Plates and/or Cab Cards. In certain situations registrants must return the previously issued apportioned registration ~~as a prerequisite to the issuance of new apportioned license plates and cab cards.~~

(a) The registrant's apportioned registration has been cancelled or revoked ~~desires to voluntarily increase his license plate classification or by virtue of citation or assessment is required to purchase a higher license plate classification.~~

(b) The registrant is seeking a refund of registration fees paid for motor vehicle license plates and must submit the decal, license plate, and/or cab card with the petition for refund ~~voluntarily or by virtue of citation or assessment needs an increase in the registered weight for his vehicle(s) for the State of Alabama.~~

(c) Under Section 40-12-265(b), as amended, Code of Alabama 1975, if a registrant should find or recover an apportioned license plate previously reported as lost or stolen, or should such license plate come into the possession of such registrant, he must immediately deliver same to the Department of Revenue.

(d) If a registrant's license plate becomes mutilated and the registrant applies for a replacement license plate, under Section 40-12-265(b), the registrant is required to surrender the mutilated license plate.

(e) If a registrant's vehicle is destroyed or junked, the license plate and/or cab card ~~is to be returned~~ may be transferred to a replacement motor vehicle unless the vehicle is wrecked and totaled outside of Alabama and the license plate is lawfully surrendered to the jurisdiction where the vehicle was wrecked and totaled; or if the license plate ~~is~~ must be surrendered to the registrant's insurance company or to the Title Section of this Department.
